## Income tax return for 2024

If reference is made to legal provisions without further specification, this means the Austrian Income Tax Act 1988.

Additional information on the income tax return can be found in the completion guide (**Form E 2**), at **bmf.gv.at** or (in particular on income from employment, special expenses and extraordinary expenses) in the **Tax Book 2025**.

I certify that I have provided the information **correctly and completely** to the best of my knowledge and belief. The information is checked; incorrect or incomplete information may entail consequences under criminal law. If I should subsequently realise that the information in the declaration is incorrect or incomplete, I will inform the tax office of this immediately (section 139 Austrian Tax Procedure Law).

You can submit this declaration paperless and around the clock via FinanzOnline (**bmf.gv.at**).

*Please tick as appropriate.*

### 4. Single-earner tax credit, single-parent tax credit, additional child allowance

#### 4.1 Single-earner tax credit, single-parent tax credit <sup>[1]</sup>

4.1.1  **Single-earner tax credit** is requested and I declare that my partner will not claim it.

4.1.2  **Single-parent tax credit** is applied for.

**Note** to points 4.1.1 and 4.1.2: Receipt of family allowance for at least one child according to point 4.1.3 required.

4.1.3   **Number of children**, for whom I or my partner have/has received family allowance for at least **seven months**.  
To take children into account for tax purposes, please use a separate **attachment L 1k** for each child.

#### 4.2 Additional child allowance <sup>[2]</sup>

4.2.1 I have **requested** the single-earner tax credit (point 4.1.1) or the single-parent tax credit (point 4.1.2):

I declare, for a possible additional child allowance, that in 2024 I received business income or income from employment for at least 30 days or for the whole calendar year only benefits under the Child Care Allowance Act, maternity allowance or family care leave benefits.

4.2.2 I have **not** applied for the single-earner tax credit (point 4.1.1.) or the single-parent tax credit (point 4.1.2) and receive the **family allowance**:

I declare, for a potential additional child allowance, that in 2024 I received business or non-self-employed income on at least 30 days or for the whole calendar year only benefits under the Child Care Allowance Act, maternity allowance, or family care leave benefits. Also, my (marriage) partner earned income from business and/or non-self-employed income in 2024, resulting in an income tax before deduction of less than 700 Euros. This amount increases by 700 euros for each additional child.

### 5. Amount of income from spouse or registered partner

Please only tick if point 4.1 (single-earner tax credit) has not already been ticked.

I declare that the annual income of my spouse or my registered partner has not exceeded 6,937 Euro [in this case, a lower deductible applies to exceptional burdens (Form L 1ab) and disability-related expenses of the spouse or registered partner (Form L 1ab)].

### 6. Increased pensioner deduction

I apply for the increased pensioner deduction. (Requirements: Own pension income not exceeding 29,482 euros, no entitlement to deductions pursuant to point 4, married or in a registered partnership - income of the spouse or registered partner not exceeding 2,545 euros annually).

### 7. Multiple-child bonus <sup>[3]</sup>

I am applying for the multiple-child bonus **for 2025**, because for 2024 at least part-time family allowance for at least 3 children and the household income did not exceed 55,000 euros.

If you have lived in a marriage, domestic partnership, or registered partnership for more than 6 months, the income of the spouse or registered partner is also to be considered in calculating the limit of 55,000 euros.

### 8. Standard taxation option for capital yields, income from property sales and income from the granting of line rights

8.1  I apply for taxation of business and/or private **capital yields**, to which a special tax scale is applicable according to the general tax rate (standard taxation option pursuant to section 27a para. 5) <sup>[4]</sup>

8.2  I am applying for taxation of the operational and/or private capital yields relating to **property** (property sales and withdrawals of business properties) to which the special tax scale applies, according to the general tax rate (regular taxation option pursuant to section 30a para. 2) <sup>[5]</sup>

8.3  I am applying for the taxation of earnings from management rights from which a 10% withholding tax has been withheld the general tax scale (regular taxation option according to section 107 para. 11) <sup>[6]</sup>

<sup>1)</sup> Enter the complete 10-digit insurance number issued by the Austrian social security agency here.

<sup>3)</sup> **Partners** are spouses, registered partners. In addition, life partners with at least one child for whom family allowance was received for at least seven months (section 106 para. 3). They are hereinafter referred to as "partners" unless stated otherwise.

<b>25. Special expenses</b> 59		
Mandatory contributions to legally recognized <b>churches</b> or religious societies, <b>donations</b> to beneficiaries, and contributions to the <b>voluntary continued insurance</b> in the statutory pension insurance and for the <b>subsequent purchase</b> of insurance periods are automatically taken into account due to data transmission and do not have to be declared. If something is not correct or missing from these data, please contact the recipients of the payment directly for clarification. Only they can correct something or send what is missing. Please use the attachment <b>L 1d</b> for a consideration of church or insurance contributions that differs from the data transmission or for special expenses paid to foreign organisations. Expenditure for a <b>thermal-energetic building renovation</b> and for a <b>"boiler exchange"</b> as part of a lump sum (" <b>Eco Special Expense Flat Rate</b> ") must be taken into account. This requires a data transmission from the funding agency, which you can request as part of the granting process. In this case, the flat rate for this year and the following years is <b>automatically</b> applied. The flat rate can only be taken into account <b>due to the data transfer</b> , an application in this form is <b>not</b> possible.
