Mandatory contributions to legally recognized **churches** or religious societies, **donations** to beneficiaries, and contributions to the **voluntary continued insurance** in the statutory pension insurance and for the **subsequent purchase** of insurance periods are automatically taken into account due to data transmission and do not have to be declared. If something is not correct or missing from these data, please contact the recipients of the payment directly for clarification. Only they can correct something or send what is missing. Please use the attachment **L 1d** for a consideration of church or insurance contributions that differs from the data transmission or for special expenses paid to foreign organisations.

魊

Expenditure for a **thermal-energetic building renovation** and for a **"boiler exchange"** as part of a lump sum (**"Eco Special Expense Flat Rate"**) must be taken into account. This requires a data transmission from the funding agency, which you can request as part of the granting process. In this case, the flat rate for this year and the following years is **automatically** applied. The flat rate can only be taken into account **due to the data transfer**, an application in this form is **not** possible.
